A 3rd-year Computer Science student open to machine learning intern role in a startup or a company.

EDUCATION

B.Tech - Computer Science Engineering
Quantum University ⬈
08/2017 – Present   *7.8 (CGPA)*

XII th (Science) (C.B.S.E)
Kendriya Vidyalaya Sangathan, Sarsawa ⬈
04/2016 – 04/2017   *6.5 (CGPA)*

X th (C.B.S.E)
Kendriya Vidyalaya Sangathan, Sarsawa ⬈
04/2014 – 04/2015   *8.6 (CGPA)*

SUMMER TRAINING

Machine Learning Masterclass using R
Udemy (Online Educator)

06/2020 – Present
I have come halfway to this 44 hours plus hands-on training and presently learning how to generate predictions and automate stuffs.

Achievements/Tasks
- Build a machine learning data-set model using python and R language and also tested for various input scenarios.

AWS Cloud computing Fundamentals
AWS Educate Platform

10/2019 – 11/2019
30 hours online tutorial covering basics of cloud computing and the services offered on the AWS(Amazon Web Services) cloud.

Achievements/Tasks
- Deployed a GUI based app to the AWS cloud(SaaS)

Python Programming
Aptech Computer Education Ltd.

06/2019 – 08/2019
60+ hrs. training covering fundamentals and architectural principles.

Achievements/Tasks
- Build a GUI based Search toolbar using Tkinter framework.

SKILLS

Java Python Figma CSS3 Spring

Version Control JavaScript C MySQL

Django WordPress

PERSONAL PROJECTS

PySearch
- Build a GUI based search toolbar to speed up online search results using web scrapping and searching algorithms.

Bitsy Music Player
- Simple java spring framework based music player with play, pause and loop functionalities

ACHIEVEMENTS

Participated in Newton Coding School long challenge and solved 2/4 challenges

Solved 100+ problem solving & algorithmic problems on Hackerrank platform(competitive coding platform)

Elected as Class Representative for 3 consecutive years by academic and interpersonal achievements

Secured 3rd position in inter-college chess tournament held at Quantum University

Qualified for finals in cyber security awareness test organized by TechPro Coding Club at Quantum University

LANGUAGES

English
Professional Working Proficiency

Hindi
Native or Bilingual Proficiency
